## The CPS Team is back!

We live in very challenging times and one day we will be able to reflect back on how this has influenced us in our creative spaces, and how this will have changed the world we live in, hopefully for the better.

We know for many of you, your income has been severely disrupted by the absence of customers which will take some time to return to our shores. To assist we will do our best to hold prices stable in spite of already receiving letters of price increases due to the depreciation of the rand. We will also be running monthly specials on different product ranges in the coming months.

Due to Covid19 we have had to continue to keep some of our staff at home to limit their exposure as required by the department of health. For this reason our Somerset West Branch is open only on a Tuesday and Thursday with Annette in attendance.

Our Racing Park branch will remain closed for the time being, orders can be placed at our Retreat branch for collection in Racing Park on Thursdays from Colin at OK Bisque which is adjacent to CPS Racing Park. Delivery to Colin will be made on Wednesdays.

Our Retreat branch is open and will be open during normal business hours including Saturdays.

We continue to offer online shopping either through our website [www.capepottersupplies.co.za](http://www.capepottersupplies.co.za) or through orders sent to [info@capepotterysupplies.co.za](mailto:info@capepotterysupplies.co.za)

Happy Potting, Stay SAFE

All the best  
Craig

## Product news

- Our popular hollow core shelves which were temporarily out of stock on some sizes are now available.

- Amaco, we received a top up shipment during the shutdown which has filled many of the gaps on our shelves.

### Kilns.

- Kiln Contracts has launched a new front loading hobby kiln suitable for plugging into a wall socket and designed around the 430 \* 430mm shelf, which is ideal for large platters. The kiln can be put on a table top to save space or, if required, supplied with its own stand.
